Samer Alsaadawi

Senior Backend Engineer

PERSONAL INFO

Talented backend engineer adept at contributing to a highly collaborative work environment, leading software teams, finding solutions, and determining customer satisfaction. I designed and developed web applications across multiple APIs, third-party integrations, and databases.

Passionate and hardworking with a penchant for developing customized interfaces that factor in unique demands for accessibility, reachability, and security. Here you can see my personal projects on my portfolio website.

EDUCATION

2020 - 2024

The Islamic University of Gaza

SOFTWARE DEVELOPMENT

Since Aug, 2020
